SVITCH BIKE – REVOLUTIONIZING URBAN MOBILITY

Brand Overview

Switch Bike is a premium foldable electric bicycle brand designed for eco-conscious urban commuters and fitness lovers. With advanced features and a focus on sustainability, Switch stands out in the e-mobility space.

My Contributions as a Digital Marketer

Social Media Marketing:

- Designed and executed highly engaging content campaigns across Instagram, Facebook, and LinkedIn showcasing Switch's USPs like the 48V BLDC Hub Motor, dual suspension, and foldable design. Resulted in improved audience engagement and brand awareness.

Performance Marketing:

- Ran targeted ad campaigns (Meta & Google Ads) focusing on product features and range benefits (up to 120 km). These campaigns successfully attracted a wide audience of urban riders, increasing traffic and conversions significantly.

Lead Generation Strategy:

- Developed data-driven strategies to highlight Switch's eco-friendly technology and innovation. These efforts resulted in a measurable increase in product inquiries, demo bookings, and sales.

ARISTA BUILDCON – CRAFTING LANDMARKS IN AHMEDABAD

Brand Overview

Arista Buildcon is a leading name in premium residential and commercial real estate, redefining Ahmedabad's skyline with modern architecture, transparency, and quality-driven development.

My Contributions as a Digital Marketer

Project Branding & Positioning:

- Created a strong brand presence for key projects like Eminence 96 and Iconic Shyamal through visual storytelling, emotional branding, and USP-driven communication.

Content Marketing:

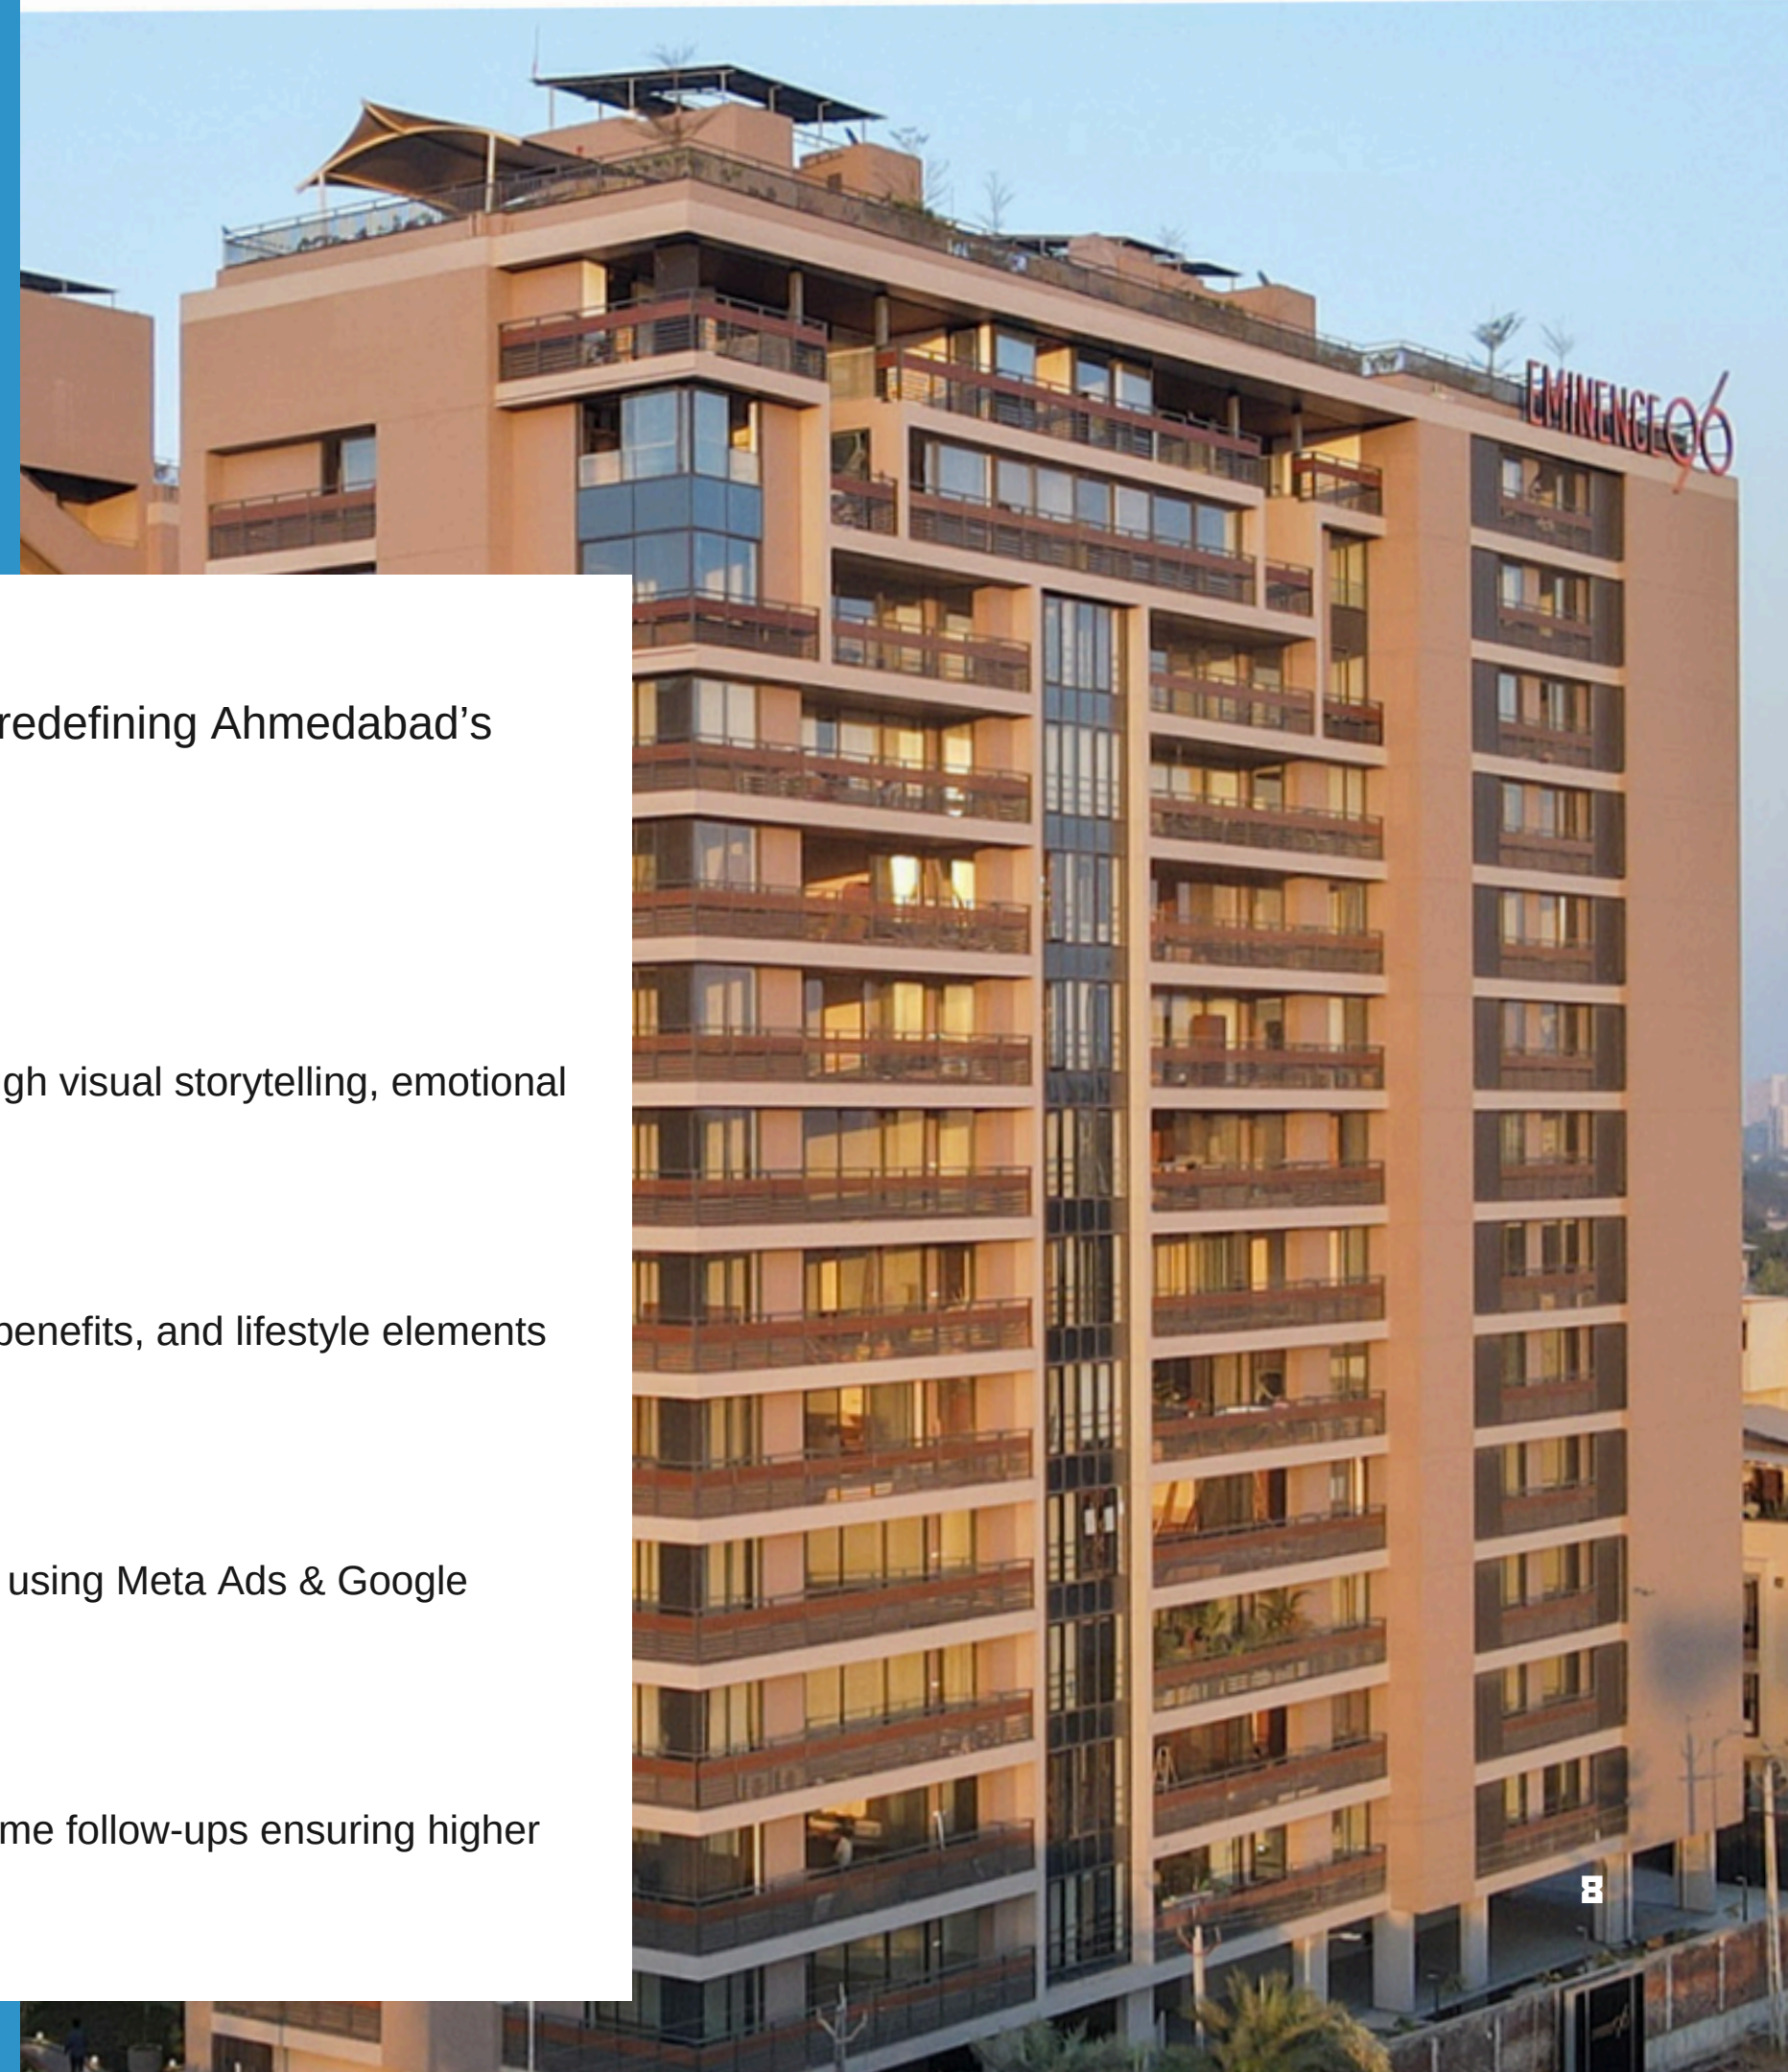

- Curated high-quality content (blogs, reels, posts) showcasing architectural features, location benefits, and lifestyle elements that connect with premium buyers and investors.

Ad Campaign Management:

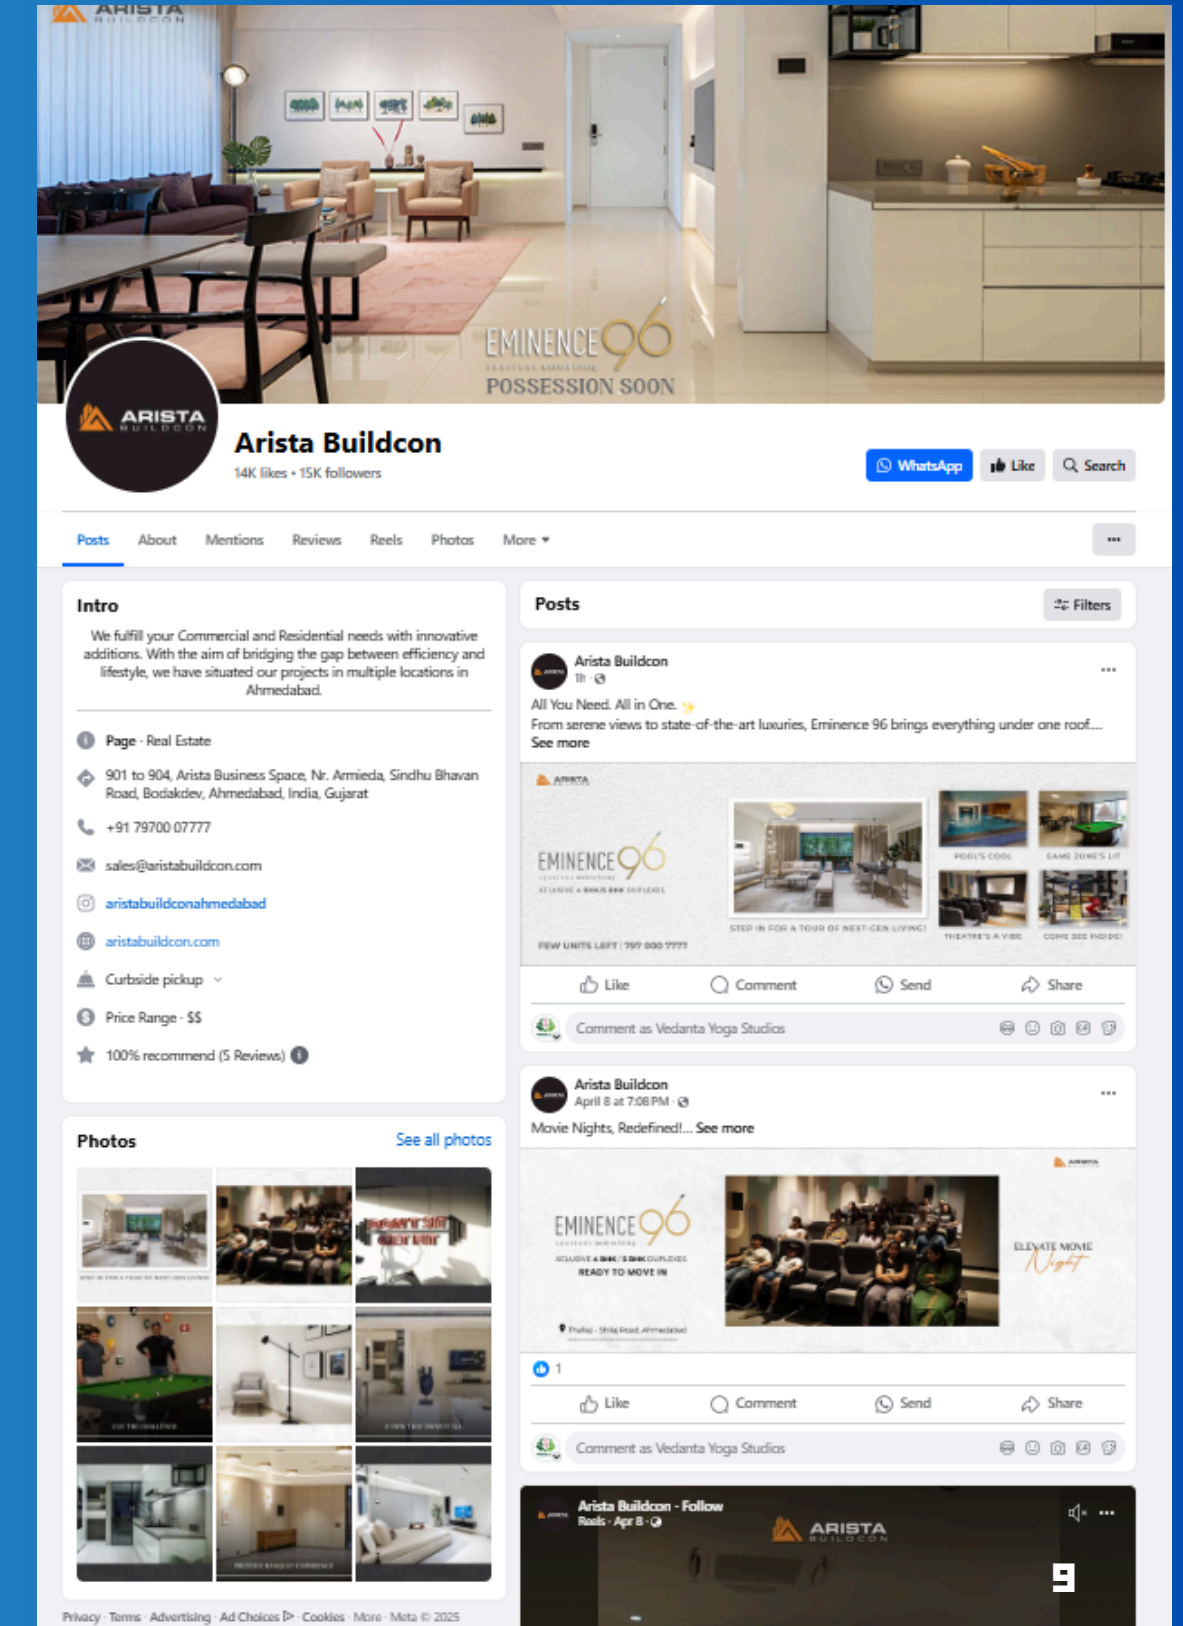

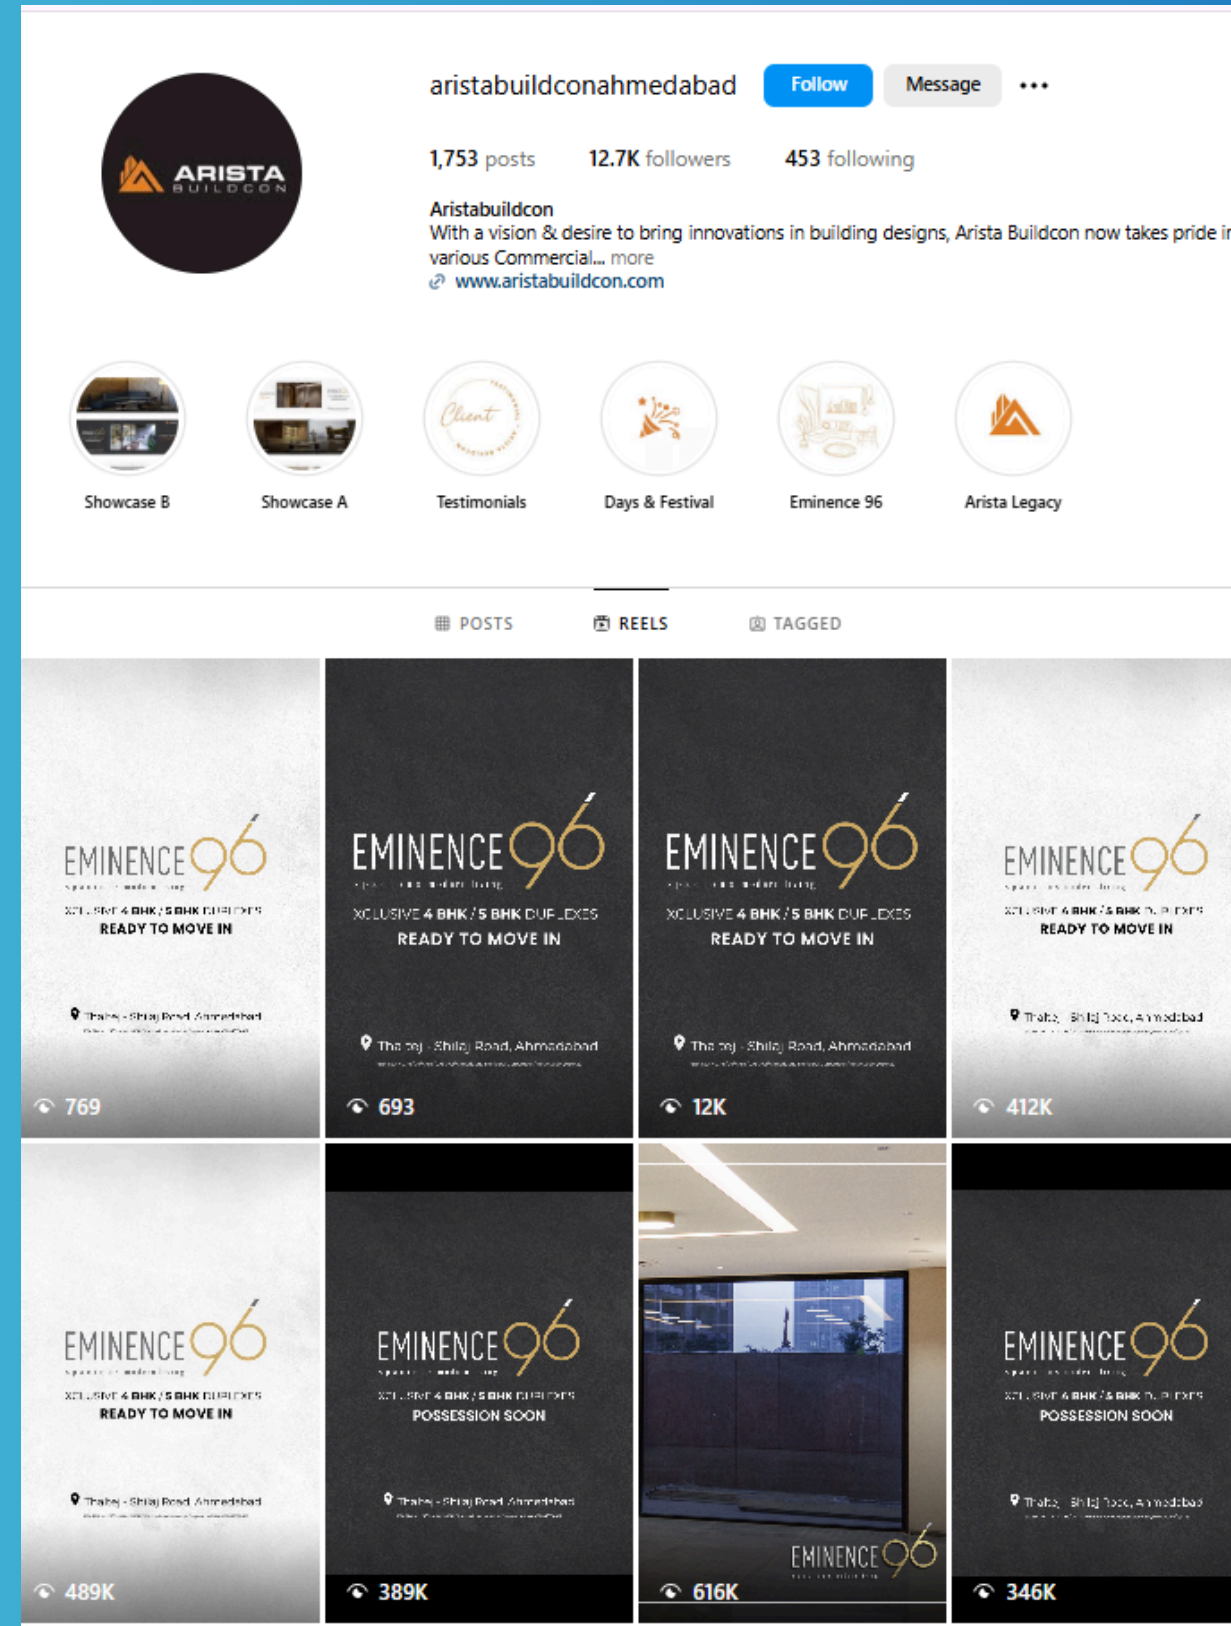

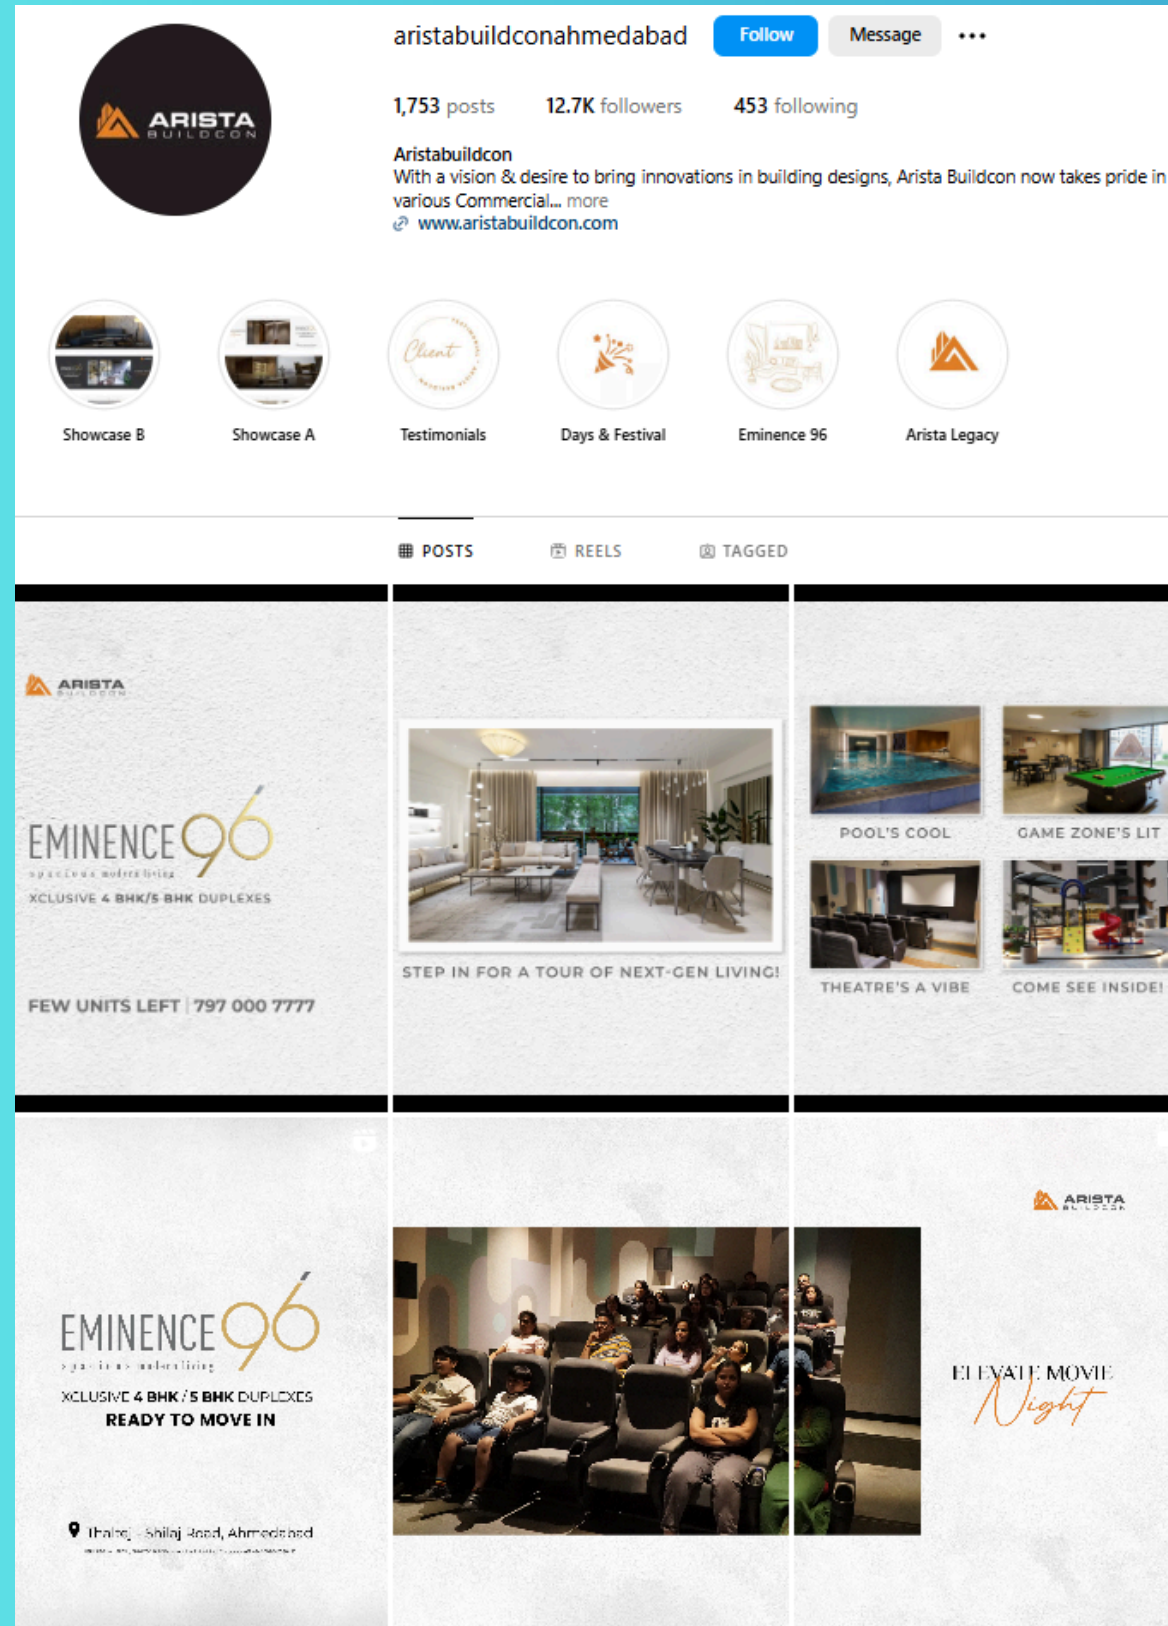

- Planned and executed paid campaigns targeting potential homeowners and business clients using Meta Ads & Google Display Network. Resulted in increased leads for site visits and inquiries.

Lead Funnel Optimization:

- Designed automated lead generation flows using landing pages, WhatsApp CTAs, and real-time follow-ups ensuring higher conversion ratios for high-ticket properties.

CSR 762 – REDEFINING THE FUTURE OF ELECTRIC MOTORCYCLES

Brand Overview

CSR 762 is an advanced electric motorcycle designed for urban mobility, combining futuristic design with high-performance features to deliver a new benchmark in electric two-wheelers.

My Contributions as a Digital Marketer

Go-to-Market Strategy

- Planned and executed the product's digital launch with strategic messaging focused on range, speed, and innovation to capture attention from tech-savvy and eco-conscious buyers.

Creative Campaigns:

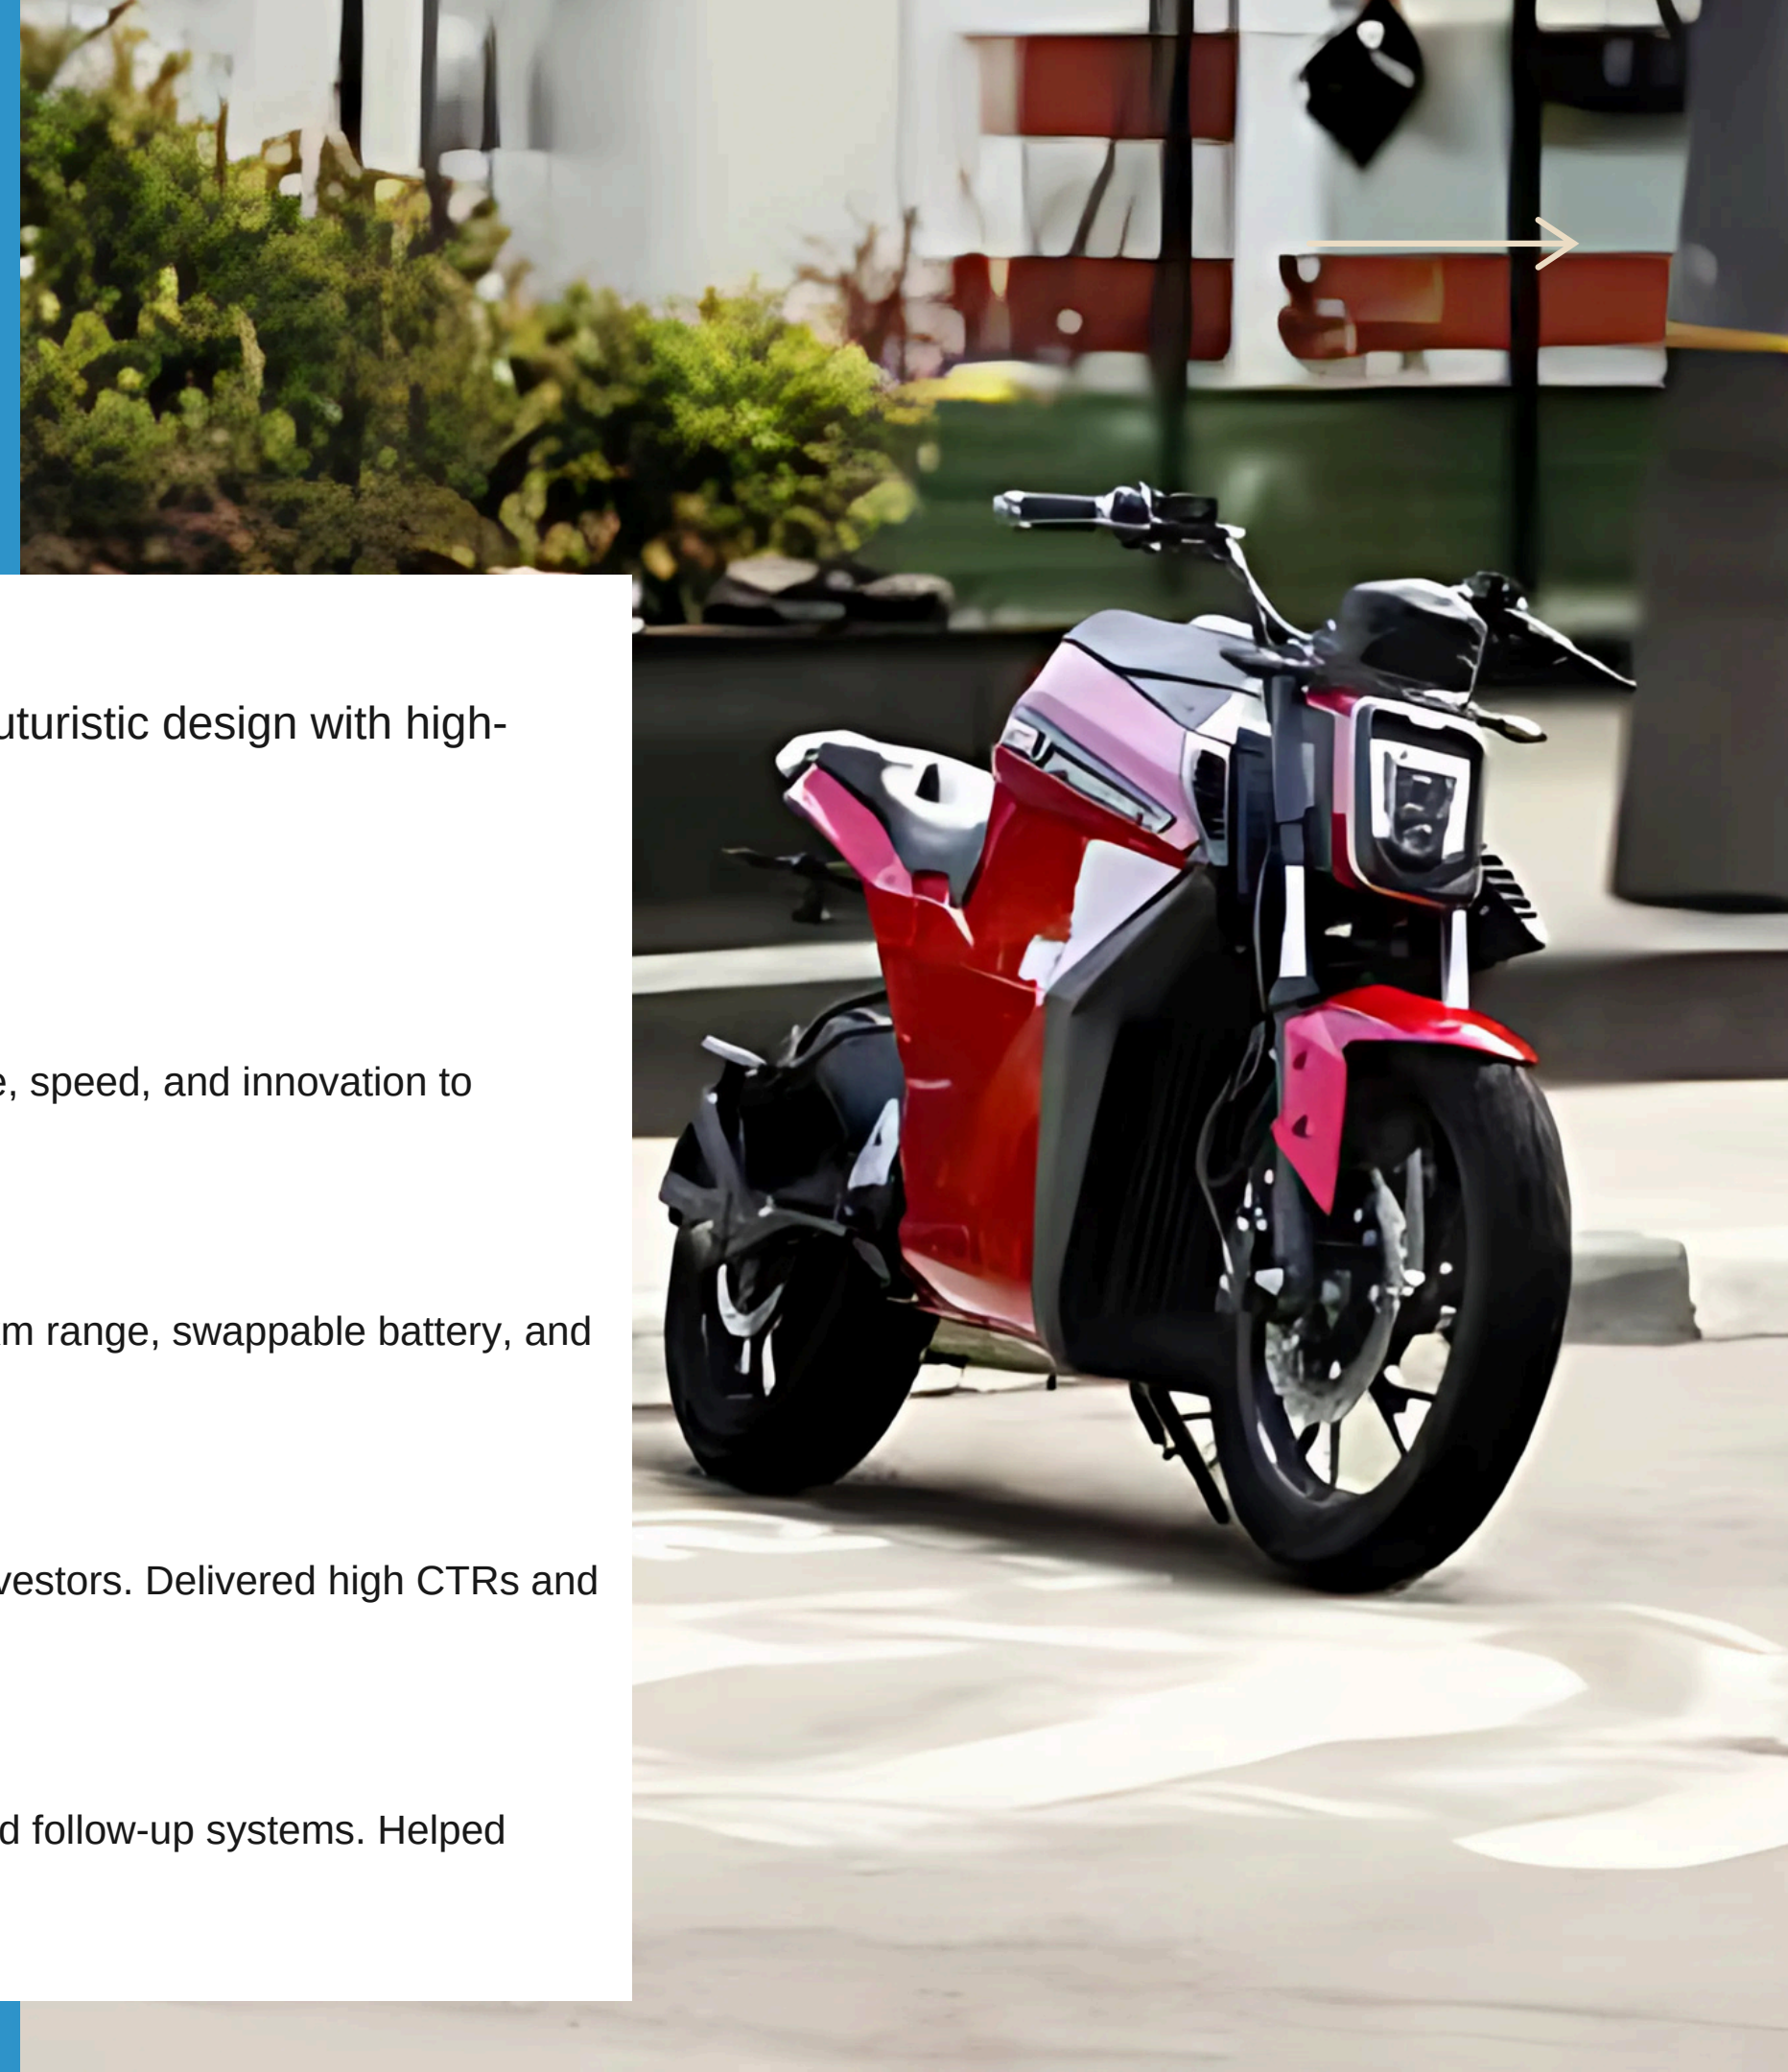

- Developed engaging creatives and reels emphasizing the USPs – 120 km/h top speed, 180 km range, swappable battery, and smart storage. Boosted organic impressions and shares.

Paid Media Strategy:

- Ran data-driven ad campaigns across Meta and Google to target auto enthusiasts and EV investors. Delivered high CTRs and quality dealership inquiries from Tier 1 and Tier 2 cities.

Dealer Acquisition Funnel:

- Built a custom lead funnel for dealership onboarding with landing pages, form automation, and follow-up systems. Helped expand regional dealership interest by 35% within 2 months.

INFOCITY CLUB & RESORT – ELEVATING HOSPITALITY IN GANDHINAGAR

Brand Overview

Infocity Club & Resort is a luxurious getaway in the heart of Gandhinagar, offering top-tier amenities, premium dining experiences, and a versatile event space, making it a preferred destination for leisure and business alike.

My Contributions as a Digital Marketer

Positioning & Messaging:

- Created a compelling brand narrative emphasizing luxury, comfort, and grandeur, tailored to attract families, corporate clients, and destination wedding planners.

Social Media Campaigns:

- Managed Instagram, Facebook & LinkedIn strategy with a mix of reels, influencer collabs, and guest experience testimonials. This helped in growing organic reach and driving direct bookings.

Event Promotion Strategy:

- Designed seasonal promotions for weddings, conferences, and poolside brunch events. Promos were boosted via geo-targeted ads and collaborations with local event planners.

Google Business Optimization:

- Optimized GMB listing with high-quality visuals, keyword-rich descriptions, and consistent review management – resulting in a 40% increase in map-based queries and directions.
